The Class of '62 entered its junior year at Ottawa Hills with one half of its high school education behind it. Looking ahead we saw only our senior year left. With this in mind, the juniors put their whole heart in making the year a great one. The juniors provided a stalwart block for the athletic program in the line of participation and school spirit. Early in the year plans were laid for the Prom, the big event of the year. In support of the efforts of the All School Play the juniors sold tickets. In the spring, the Junior-Senior Banquet and Prom showed the planning and work which went on during the entire school year. Now, the Class of '62 is not only looking ahead to its senior year, but also proudly back at its accomplishments during its junior year.

The Class of '63 began its sophomore year eager to make an outstanding contribution to Ottawa Hills High School. The class started off with the annual season ticket sale. Then came the United Appeal Drive contest in which the class placed first. Athletically speaking, several of the boys became prospective football and basketball players, while the girls upheld their previous excellent record in G.A.A. Socially, the sophomores sponsored a dime dance which proved to be great fun. The Class of '63 has enjoyed an eventful, busy, and satisfying year.

Class of 1964

The Class of '64 made the promotion of school spirit its project of the year. The main way in which the project was undertaken was the chartering of buses to athletic events which took place away from home. The freshmen class also sponsored a dime dance during the basketball season. The class feels it has taken a noteworthy step in bettering Ottawa Hills High School.

ACTIVITIES

Senior High Student Council

By its versified activities this year the student council again proved to be the outstanding organization in the school. Its services included selling book-covers, printing and selling student directories, and passing various permits for other organizations in the school. It furnished pleasure for the high school also — the Homecoming Weekend was considered the most successful in years. Innovations introduced by council this year included a Driving-Safety Week in the spring and the establishing of the National Honor Society in our School.

The Junior High Student Council has worked hard this year and has accomplished many projects. Our first project, the selling of wrapping paper was very successful. We have collected tax stamps which will be used to buy shrubbery for the school lawn. The annual Good Manners Week was an inspiring success once again. Through the efforts of the Council's officers and members, and the entire Junior High student body, another successful year was completed.

ARE YOU SATISFIED?

Grownups know that personal grooming is important if you want to "get ahead". Teenagers sometimes forget to look at themselves objectively.

So that boys and girls could see themselves as others see them, a full-length mirror was installed in the main corridor of a high school in Buffalo, N. Y.

Boys checked shirttails and trouser lengths—even started wearing coats and ties. Girls stopped to tuck in blouses or rearrange their hair. Renewed pride came to this school—all because of a mirror!

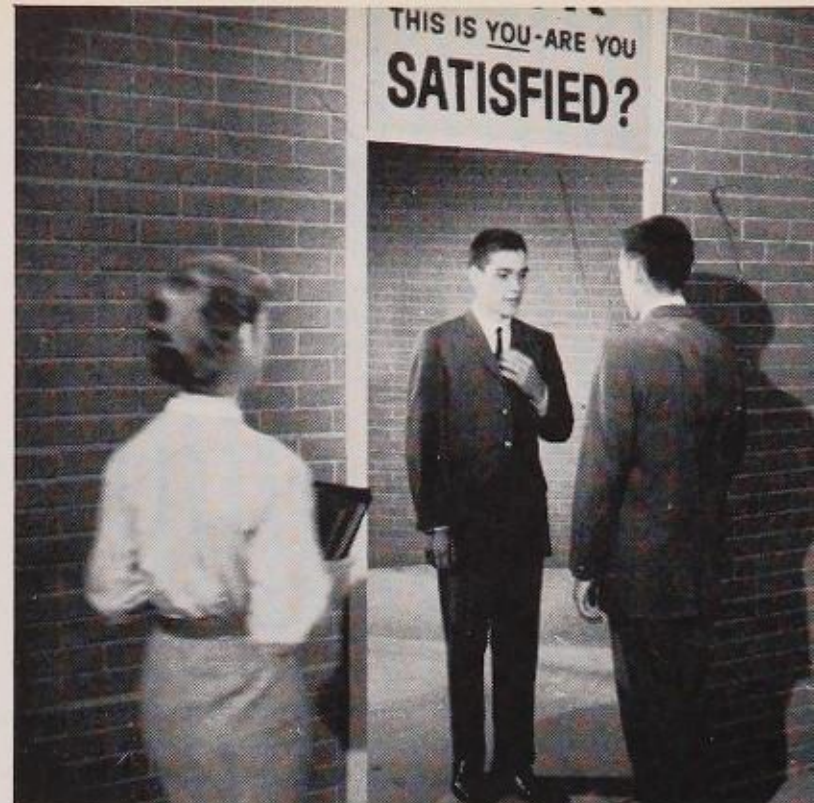

When you buy a mirror, be sure it's made of L·O·F *Parallel-O-Plate*® glass, *twin-ground* for truer reflections and more freedom from distortion. You'll find a wide selection at your furniture, glass or department store.

A mirror is a "must" at school . . . at home . . . anywhere. Always check your appearance before going out. It's a good habit to form and others will notice.
